This 2018 Salem Villa 426-2B Classic destination trailer by Forest River is located on Site 322 at Silver Springs Campground in Rio, WI. This site has a perfect view overlooking the pond (no neighbors in front of the site). It features triple slides, two full bathrooms, cathedral ceilings and sleeps 9!

Step inside the patio door of the trailer, to the left there is a L-shaped counter with a double kitchen sink, three burner range, microwave, full size refrigerator, and a pantry. The opposite side has a slide out with a u-shaped dinette and a sofa (both the dinette and the sofa convert for sleeping). Next to the slide there is an entertainment center and storage.

Moving towards the front of the trailer there is a side aisle bathroom on the left. Inside the bathroom you will find a medicine cabinet, radius shower, wardrobe with drawers and a toilet, plus a door into the bedroom.

In the front bedroom there is a slide out with a queen bed (box spring and mattress). The bedroom affords ample storage including a wardrobe, dresser with overhead cabinets and cabinets above the bed.

The rear bunkhouse offers privacy away from kids (or guests) and features a slide with a bunk and a jiffy sofa in place of the lower bunk. Across from the bunks there is an entertainment center and wardrobe. In addition, the bunkhouse has its own bathroom that also can be accessed from an outside door.

Also Included: New deck (built in 2019), Deposit for 2020 Campground Fees is Paid (\$500), gas grill, and two storage units.
